Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Sakura Publishing Technologies, United States, 2013. Paperback. Book Condition: New. Desislav Iliev (illustrator). 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. What happens in the home, stays in the home, a familiar saying Sharday heard from her mother over and over again as a child and even still to this day. Writing her personal memoirs and most intimate secrets was almost like cheating to her as she confided in paper as a way to let go of the shame and embarrassment she felt for a long time by holding onto the past. Sharday discusses the growing pains of a child to a young adult such as living with a single parent, family members who suffered mental illnesses, and her own loves lost. Sharday for the first time really opens up her own personal life in a very vulnerable and intimate way where every poem is her experience and her story. This collection of prose is a standout because she is able to take the painful and troubling memories and experiences and communicate it to her readers in a beautiful way. The beauty existing in the pain is the revelation that she is free.
