Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.How about a relaxing Valentine s Day activity for you and your sweetheart? Our modern adult life events constantly require us to deal with frequent transitions, delays, or surprises. Instead of complaining about them, we can wisely enjoy these as opportunities for our personal growth. We can pause, reflect and respond with creative approaches or tools for dealing with them. Our own coloring books will let the little children lead us to accept, adapt, adjust, and get playful with our favorite of crayons, markets or gel pens. Just like a coloring book or journal, but more. This is a versatile combination to engage your heart and imagination at once. It s also a fun-ctional keepsake for prayers. The format is user-friendly for others for writing notes, devotionals, book clubs, bible studies, church, retreats or just creating set-apart time with Jesus. Make the most cost effective use of three versatile page formats, in one place: Use the lined pages for writing; or Use blank pages for brainstorming, visioning with photos and scrap booking; or Use the print and graph paper for coloring, sketching scenarios plus number calculations. The choice is yours, according, and mood or communication style.
