Though it's been years since the infamous Macy O'James stepped foot in Sugarville, Washington, everyone remembers what she supposedly did. The tiny town is still buzzing about her crime and lack of punishment. Now back to lend her family a hand, Macy vows to hold her head high—especially at her high school reunion. But forget about the hottest man in Sugarville escorting her. Though she and fire chief Gabriel Donovan generate enough sparks to burn down the town, he's a law-abiding, line-toeing straight arrow. So not her type. But maybe—just maybe—he can change her mind about that. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Mass Market Paperback.
