Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.In Mary Magdalene: Revelations from a First Century Avatar, Mary comes to life right before your eyes. Through the author, as a channel for her voice, Mary shares fascinating and intimate details of her early life, esoteric life, and walk with the master teacher and healer-known to us as Jesus. Through discussion of her gematria-an ancient form of numerology-the author makes a strong case for the true identity of this Mary. She is not who you've been told she was, but rather a woman of extraordinary spiritual power who would be considered, in her time, as the equal to Jesus. Mary then answers specific questions that were asked of her. She explains the differences between the fabled civilizations of Egypt and Atlantis, the Mystery Schools, the process of initiation into expanded awareness, and how we can begin to learn the ancient wisdom of the Mysteries. Find out why Mary believes the time is now for people to rediscover these incredible teachings! In this riveting account, we are given a glimpse into the life of the Magdalene, of what she and Jesus believed about their mission, and what they foresaw for the future of humanity-a future that Mary says is unfolding right now.
