State bar exam essays are fun to write and fun to pass - but we must spot the actual controversies presented. There is little credit in writing a general essay that glosses over actual problems and controversies that brought the particular parties to court. For instance, problems can lurk anywhere on a contract essay - formation, breach, defenses or damages. On a torts essay they may lurk in the absence of a culpable mind - or in the absence of required injury for the particular action brought. Personalized tutoring by email.
