Reviews

Thorough information! Its such a good study. Sure, it is perform, still an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Evie Emmerich)

DUNE BUGGY

[DOWNLOAD PDF](#)

Alphascript Publishing. Taschenbuch. Book Condition: Neu. Neuware - A dune buggy is a recreational vehicle with large wheels, and wide tires, designed for use on sand dunes or beaches. The design is usually a modified vehicle with a modified engine mounted on an open chassis. The modifications usually attempt to increase the power to weight ratio by either lightening the vehicle or increasing engine power or both. Those with an open frame chassis are called sandrails. Sandrails are close to dune buggys. A similar, more recent generation of off road vehicle, often similar in appearance to a sand rail but designed for different use, is the 'off road go kart'. 92 pp. Englisch.
