Whether it is your first job, you are a professional, you are a parent looking to earn additional income, a new college graduate, or someone that plans to re-enter the workforce, this is a must read. High end sales jobs are some of the best careers in business. They generate six figure incomes, they offer flexible schedules, and are incredibly fun and rewarding. For roughly the price of a meal, I can help you prepare yourself for one of the best careers in business so you can reap the benefits. I have helped many people obtain employment in sales and if you read this book and apply the principles, you can enjoy a high paying sales career and benefit from all of the financial and professional rewards of the industry. In this book we identify ways to differentiate yourself from other job seekers and help you break into this competitive industry. We will discuss the 10 things you have to know to enter the field, how to approach the companies and discuss the major areas of preparation. You will also learn about key industry entry points and important techniques to help you land good sales employment. Most high paying sales jobs can generate well over \$100,000 with some paying over \$500,000 per year but you need to be prepared to help you play in the big leagues. My name is Daniel Riley and I have worked in sales for most of my career. All of my techniques are proven and come from a highly successful sales professional. This is the information you need to know to get your foot in the door and together we...
