My testimonial tells how God walked beside me and transformed me and my many trials. Once I opened my heart to God, I became obsessive about writing the book My hope after stroke. Through fellowship I hoped to bring inspiration and confidence to stroke survivors like me. When you have a relationship with God and church, you can experience the wild ride of life you were born to live. I spent most of my life doing things my way. It could have been so much easier.Gods way always works because you are not alone. Think and know your victories will help others. That is our purpose in life. - stroke warrior.
