Conversations on Philanthropy, Volume IX: Law Philanthropy: Emerging Questions on Liberality and Social Thought (Paperback)

By -

Philanthropic Enterprise, United States, 2013. Paperback. Book Condition: New. 224 x 145 mm. Language: English . Brand New Book. Conversations on Philanthropy: Emerging Questions on Liberality and Social Thought aim is to promote inquiry and reflection on the importance of liberality in the dual sense of generosity and of the character befitting free individuals for the flourishing of local communities, political societies, and humanity in general. As such we seek to open new perspectives on the roles, theories, and practices of philanthropic activities ranging from charitable giving, the actions of eleemosynary organizations, trusts, foundations, voluntary associations, and fraternal societies to volunteerism, mutual aid, social entrepreneurship and other forms of social action with beneficent intention (whether or not also combined with commercial and/or political purposes). To facilitate conversations among traditional academic disciplines, Conversations on Philanthropy will include papers from a number of fields, including history, political science, economics, sociology, anthropology, philosophy, philanthropic studies, religious studies, belles lettres, law, and the physical sciences, as well as from philanthropic practitioners. Published comments on feature essays are a means of providing a transparent peer-review process to enhance interdisciplinary understanding.

Reviews

This ebook is really gripping and fascinating. it had been writtern extremely perfectly and useful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Leopold Hills**

Totally among the finest publication I actually have at any time study. I am quite late in start reading this one, but better then never. I found out this publication from my dad and i suggested this pdf to discover.
