Brand New Book ***** Print on Demand *****.Excerpt from The Bible as Literature I have been requested to say a few words as preface to this little book, written by my nephew, on the Bible as literature. The title is a wide one: but I think the writer is well advised in confining himself to the side of literary treatment most urgently required in the case of sacred literature, and explaining, with as much clearness as the brief limits permit, the chief forms of literature contained in the Bible and Apocrypha. The question is often asked, What is exactly meant by the term literary study in application to Scripture? There can be no better way of answering this question than to take a specific portion of the Bible, and illustrate the literary treatment in comparison with other and familiar modes of study. Let the reader refresh his memory by reading the twenty-fourth psalm. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
