AUTHORHOUSE, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is a true journal. Some of the names of people, streets, and places have been changed possibly making this reality based fiction. Written by a scorned woman to keep herself company the journal confronts a double standard and injustice one woman went through and her attempts to heal herself through books and finally action. Strong feelings and sexuality are all aired about the life of a real person. This book is really about a sabotage - a lie that was spread and the ingredients surrounding this lie. The thread of the book seems to imply a love hate relationship and one person looking back on it to decide which it is. Perhaps she ll never know. Written for herself, published to share; Rose wants to escape to Hawaii which I m reading of a prophecy by a Dr Walker predicting Hawaii to be a lighthouse to a world adrift in unpredictable seas. The promise on this cover is that when Rose does make it to Hawaii she will write another and different book!.
