Reviews

I actually started out looking at this publication. It normally is not going to cost too much. I am just happy to let you know that this is basically the finest publication i have got read through within my very own life and may be he very best publication for possibly.

(Karelle Rippin)

To get **Visual Design** PDF, you should access the web link listed below and download the ebook or get access to additional information which are highly relevant to VISUAL DESIGN book.

New Riders Aug 2014, 2014. Taschenbuch. Book Condition: Neu. 217x216x20 mm. Neuware - Visual Design speaks design, through design, to designers, presenting 95 core design principles with concise text and a touch of visual wit. Author of the bestselling Index series on design basics, Jim Krause uses a combination of Helvetica and Dingbats to teach a wide range of design topics (both conceptually and compositionally related) in a one-topic-per-spread format. Using humor, practical tips, and inspiring visual examples, Krause makes it clear how each of the 95 axioms of effective design are relevant and applicable across all forms of visuals: print, Web, and fine arts. In this book, you'll learn how to: ? Direct the eye through your designs using size relationships, color, visual pathways, and typographic hints ? Design effective compositions through grids, frames, outlines, dynamic spacing, symmetry, asymmetry, shading, patterns, and textures ? Fool the eye with shadows, depth, op-art, and visual subtraction ? Understand how color works and how to use it effectively ? See and use type by understanding type rules as well as when and how to break them Visual Design is the first title in the brand new New Riders Creative Core series, which aims to provide instruction on the fundamental concepts and techniques that all designers must master to become skilled professionals. 240 pp. Englisch.
