## CHRISTIAN ETHICS AS WITNESS: BARTH S ETHICS FOR A WORLD AT RISK (PAPERBACK)

Wipf Stock Publishers, United States, 2011. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Description: Christian ethics is less a system of principles, rules, or even virtues, and more of a free and open-ended responsible witness to God s gracious action to be with and for others and the world. Postmodernity has left us with the risky uncertainty of knowing and doing the good. It also leaves us with the global risks of political violence and terrorism, economic globalization and nancial crisis, and environmental destruction and global climate change. How should Christians respond to these problems? This book creatively explores how Christian ethics is best understood a witness to God s action, thereby providing the ethical framework for addressing the various problematic social issues that put our world at risk. Haddorff develops the notion of witness through a detailed study of Karl Barth s theological ethics. Barth, he argues, provides a language enabling us to know what a Christian ethics of witness actually looks like in both theory and in practice. In correspondence to God s gracious action, Christians remain free to think and act in faith, hope, and love in response to their unique circumstances, even in a world at risk. In their witness, Christians remain confident that God has not abandoned the world but loves and cares for its future. Endorsements: At a time when one might be tempted more than ever to offer an ethics of self-help, David Haddorff presents us with a truly theological ethics of witness based on the truth of the Gospel that is at once hopeful and realistic because its hope is found in the God who empowers us to do the good and not in our attempts to live any sort of...
