Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

XLIBRIS. Paperback. Book Condition: New. Paperback. 116 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. This book is a collection of short stories, proverbs, questions, poems, songs and other miscellaneous items from a friend of mine. This person wishes to remain anonymous, those who know him will recognize him right away. The stories were inspired from the Bible but taken from a different perspective than usually seen. You may or may not enjoy them depending on your perspective. If you gain something from them, that's great. If not, discard what you have and move on. The proverbs are a collection from many people who have affected my life through the years, some are original. The stories are an attempt to get you to see things in a different light, from a different perspective. Most are based on the bible, as many writers of stories, songs and proverbs do. The bible has been the world's greatest book ever published, though it has been an awesome attempt to read and understand. Many things in it can be interpreted in many different ways, a double-edged sword, all of which can be right or wrong, depending on your point of view. The real truth is that the bible in its entirety is truth, it speaks of the truth, for the truth and by the truth. There have been those who have chosen to write love stories, while others have chosen to write horror stories, both are in there. Both can be right or wrong depending on your perspective. Both can be the same story! If you view the bible as love stories, it will come across as such most of the time. On the other hand, if you view it as horror stories it will come across as such, most of the time. It's...
