Brand New Book ***** Print on Demand *****.If you own a small business with employees, you probably know how cumbersome, complicated and confusing payroll can be. Aspects of payroll such as social security, taxes, as well as state and federal payroll guidelines can make payroll seem overwhelming. This guide will show you the steps to do payroll for your small business effectively and efficiently. We ll cover how to do payroll using HR payroll software and payroll time clock software, as well as review some of the most popular payroll software packages on the market today. If you just started your business, you probably have heard all about Quickbooks; that s not your only option, however. This book will show you what payroll is and what software is out there to help you.
