Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There is something about these salutations in kind which is singularly taking and grateful to the ear. They are as much better than an ordinary good day or a flat how are you? as a folk-song of Scotland or the Tyrol is better than the futile love-ditty of the drawing-room. They have a spicy and rememberable flavour. They speak to the imagination and point the way to treasure-trove. There is a touch of dignity in them, too, for all they are so free and easy-the dignity of independence, the native spirit of one who takes for granted that his mode of living has a right to make its own forms of speech. I admire a man who does not hesitate to salute the world in the dialect of his calling.
