Kelley Blue Book, United States, 2013. Paperback. Book Condition: New. Consumer Oct-De.. 150 x 97 mm. Language: English . Brand New Book. More than 40 million used cars are sold each year, yet the average person has very little idea what to pay for one or what to ask as a selling price. First published in 1926 for banks, auto dealers and other businesses, the Kelley Blue Book quickly set the standard for used vehicle value guides. In 1993, the book was finally made available to the general public. Now published quarterly, the Consumer Edition of the Kelley Blue Book Used Car Guide includes current trade-in values, private party values, and suggested retail values on more than 10,000 models of used cars, trucks, and vans. Covering 15 model years, the book includes VINs, original list prices, easy-to-use equipment schedules with values for optional equipment, and a table of acceptable mileage ranges by year. The comprehensive How to Use This Book section offers helpful advice on buying a used vehicle. Since 1926, Kelley Blue Book has provided the automotive industry with used vehicle values. Today they are the #1 source for the most comprehensive automotive value information. No other vehicle information source is trusted by both consumers and the automotive industry.
