Abingdon Press, United States, 2001. Paperback. Book Condition: New. 2nd edition. 223 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The Abingdon Old Testament Commentaries series offers compact, critical commentaries on all the books of the Old Testament. In addition to providing fundamental information on and insights into Old Testament writings, these commentaries exemplify the tasks and procedures of careful, critical exegesis so as to assist students of the Old Testament in coming to an informed engagement of the biblical texts themselves. These commentaries are written with special attention to the needs and interests of theology students, but they will also be useful for students in upper-level college or university settings, as well as for pastors and other church leaders. Each volume consists of four parts: -- an introduction that addresses the key issues raised by the writing; the literary genre, structure, and character of the writing; the occasional and situational context of the writing, including its wider social and historical context; and the theological and ethical significance of the writing within these several contexts -- a commentary on the text, organized by literary units, covering literary analysis, exegetical analysis, and theological and ethical analysis -- an annotated bibliography -- a brief subject index Gowan takes full account of the most important current scholarship and secondary literature, while not attempting to engage in technical academic debate. The fundamental concern of this and every volume is analysis and discussion of the literary, sociohistorical, theological, and ethical dimensions of the biblical texts themselves. Each volume attends to issues of special concern to students of the Bible: literary genre, structure and character of the writing, occasion and situational context of the writing, wider social and historical context, the theological and ethical significance of the writing within these several...
