

B. Franklin, Printer

By Adler, David A.

Holiday House. 1 Cloth(s), 2001. hard. Book Condition: New. Although he earned international renown as a scientist, inventor, diplomat, and humorist, Benjamin Franklin wanted to be remembered first and foremost as a printer. This biography for readers 10 and up does indeed trace Franklin's highly successful printing career, while also delving into his experiments with electricity, the compilation of Poor Richard's Almanac, and his fruitful years in France. The book includes excerpts from Franklin's writings, and more than 60 period illustrations and facsimile documents."With its chronologies, map, index, diverse bibliography, and helpful Web sites, this is a solid research tool. Perhaps the best [biography] so far of a man who . may have been 'our greatest American'."School Library Journal 126.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS
