iUniverse, United States, 2006. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. A delicately crafted, absorbing account of an American past seldom encountered in conventional histories.meticulously researched. - Kirkus Discoveries Schake s book documents the intimate life and history of a village that helped serve as a launching point into the territory and it role in American frontier life. -Brad Urban, St. Louis Post-Dispatch Suburban Journals La Charrette provides a first-ever historical look at America s westernmost frontier settlement, which-over a mere thirty-year existence-managed to leave behind a rich, vibrant legacy that is firmly rooted in local, state, and national history. Located sixty miles beyond St. Louis on the banks of the Missouri River, La Charrette Village began as an eighteenth-century French fur-trading outpost. The citizens of La Charrette-one of America s earliest melting-pot communities of Native Americans; African descendants; and French, Spanish, and German immigrants-played a vital role in shaping the American West. Its people were the first to be granted Indian trade rights and to map the Santa Fe Trail, and La Charrette was the last outpost of civilization along the monumental trek toward westward expansion. A virtual Who s Who of the American frontier, La Charrette documents the life and times of the families who lived in this influential riverbank village. It also chronicles many legendary heroes who passed through, including Lewis and Clark, Daniel Boone, Captain Pike, Indian Phillips, John Colter, Flanders Callaway, Syndic Chartran, and others who helped to shape history and forever change the face of our nation.
